## Welcome to 25miles.com

What does 25 Miles mean? I live in a small town in rural upstate NY, and I seem to be 25 miles from anywhere. So 25 miles is really what life here is about. And that's what I take pictures of.

So welcome to 25miles.com. Enjoy the scenery.

### High School Ball

The local high school team was playing a sectional game this weekend. The weather was perfect, and the home team won. A great way to enjoy a sunny afternoon!
